

IN THE IOWA DISTRICT COURT IN AND FOR SAC COUNTY

STATE OF IOWA,

Plaintiff,

v.

ADRIAN JEREMY DICKEY,

Defendant.

No. SMCR015055

MOTION TO DISMISS

The State of Iowa, by the undersigned, states the following to support its Motion to Dismiss:

1. After examining the records and considering all relevant things, the State believes that there is not enough evidence to prove this matter beyond a reasonable doubt.
2. In weighing the likelihood of a jury conviction against the allocation of prosecutorial resources, the State believes the interests of justice and judicial economy are best served by dismissing this prosecution.
3. The defendant has agreed to pay court costs if the prosecution is dismissed.

For these reasons, the State requests that the Court dismiss this prosecution and order such other reliefs the Court deems just and equitable in the premises.
