CONGRESSWOMAN ASHLEY HINSON

# Standing Up for Iowa. Protecting America.

We all know that to protect America, the Southern Border must be secured. It's why I voted for legislation that would require the Biden Administration to **secure the border, deport illegal immigrants, and end abuses of our asylum system.** We had a secure border under President Trump's secure border policy agenda. This isn't a game, we have to protect America's security and sovereignty from those who wish to do us harm.

I will continue working to stop illegal immigration, stand up to China, and ensure we are energy independent again.
