MMM: Hi, this is Mariannette Miller-Meeks. I wanted to update you on how I’m fighting to secure our border.

ANNCR: Over seven point two million people have illegally crossed the border since President Biden took office, according to CBP. Mariannette Miller-Meeks helped lead the impeachment of Homeland Security Secretary Alejandro Mayorkas.

MMM: Impeaching Mayorkas was important, but I won’t stop until Iowans are safe from all aspects of this tragedy.

ANNCR: According to the DEA and Iowa Department of Health and Human Services, there is a fifty-eight percent increase in opioid deaths in Iowa. A one hundred and five percent increase in fentanyl seizures IN IOWA.

MMM: We’ve all seen the news – the Biden administration’s policies are ignoring the facts and it’s hurting real people.

MMM: I’m fighting to secure the border, stop the flow of fentanyl, and prevent the loss of loved ones to illegal drugs and crime.

MMM: I’m Mariannette Miller-Meeks and it’s just common sense – a strong country needs a strong border.

ANNCR: If you or someone you know need assistance please call Congresswoman Miller-Meek’s office at 202-225-6576.

ANNCR: Paid for by official funds authorized by the House of Representatives.
